HAIR EXTENSIONS

FACT SHEET

INTRODUCTION

Irresistible Me is a young brand that centers around really amazing clip-in hair extensions, but has bigger hair related dreams: hair tools, hair accessories, hair care and wigs. Truth be told, we're planning an empire, but don't tell anybody!

1

We're fun and friendly, but we also mean business. We really care about our customers and their feedback is what drives us to get better. We believe in having the best possible products and paying attentions to details, no matter how small they seem.

And yes, we're looking for talented people who can take the journey with us (bloggers, youtubers and social media enthusiasts).

PRODUCTS

2

Right now we have two lines of clip in hair extension: Silky Touch and Royal Remy. What is the difference you ask?

Silky Touch is our best-selling line made with 100% human Remy hair. These hair extensions are fantastic quality for a friendly price and can be very easily styled, cut, colored and curled to blend in your hair perfectly. The thickness of the hair decreases very slightly towards the ends just like normal hair does which will provide a completely natural look while wearing them.

The Silky Touch extensions are perfect for anybody who loves adding a bit of volume and/or length to their hair occasionally or for special events and offer the best quality/price ratio on the market.

If you're just starting with hair extensions and you want something great, the Silky Touch clip-ins extensions are the way to go.

SILKY TOUCH

Royal Remy is our premium line made with 100% human Remy hair.

We use top of the line hair and a special treatment unique to Irresistible Me to add extra silkiness and durability and make these the best hair extensions you can find.

Ultimately, the Royal Remy hair will last longer and is the closest match you can find to completely unprocessed hair.

If you're looking for longevity and volume, the Royal Remy line is the best choice you could make.

We also carry:
Ponytails and
Highlights
(these are basically Royal Remy quality hair extensions but you get to combine any two colors from the ones available for a customize set).

The thickness of the hair is amazing – the same from the top of the weft to the bottom. This provide a lot of body and bounce while wearing them.

This line is also very easy to blend with your own hair and can be very easily styled, cut, colored and curled.

WEIGHT AND LENGTH

3

We are probably the only website that allows customers to chose both weight AND length for full customization.

Our hair extensions have this composition:

200 g sets (10 pieces)

1 pc of 4 clips (7.5"),
2 pcs of 3 clips (6"),
5 pcs of 2 clips (4"),
2 pcs of 1 clip (1.2").

140 g sets (8 pieces)

1 pc of 4 clips (7.5"),
3 pcs of 3 clips (6"),
2 pcs of 2 clips (4"),
2 pcs of 1 clip (1.2").

100 g sets (7 pieces)

1 pc of 4 clips (7.5"),
2 pcs of 3 clips (6"),
2 pcs of 2 clips (4"),
2 pcs of 1 clip (1.2").

The weight (100g, 140g, 200g) refers to the total weight of the hair you will order without the clips attached.

You can also choose the length that you want from the lengths available: **14 inches, 16 inches, 18 inches, 20 inches, 22 inches and 24 inches.**

The thickness of the hair is relative to both the weight and the length you choose: a 14 inch 200g piece will look thicker than 14" 100g, so keep that balance in mind.

That's why there are the following weight options:

14" and 16" – 100g, 140g or 200g
18" – 140g or 200g
20", 22" and 24" – 200g

■ EXCHANGES AND RETURNS

4

We offer free exchanges/returns for customers from USA and Canada (other customers can also exchange/return the products but they will have to pay themselves to ship the extensions back). All products can be exchanged/returned EXCEPT the sets from the Highlights section that are custom made..

**OUR PRODUCT
COMES IN A
BEAUTIFUL
BLACK BOX.**

Once you open it, you will notice the wefts carefully packaged in a plastic bag with two sections.

The smaller section contains the sample weft that you should open first and make sure the color, length and general hair quality is what you want. If everything matches your expectations, you can open the bigger section with the rest of the wefts.

If you decide you want to exchange or return them, refrain from opening the second section, otherwise the guarantee will be void and we won't be able to make the exchange or refund for you.

To exchange/return your product, simply ship it back:

- In its original box, clearly untouched, unworn and odor-free, with the protective seals intact - all hair which has been used can't be exchanged.
- Maximum 14 days after reception of your parcel.
